

WiseluckCreative

Company introduction

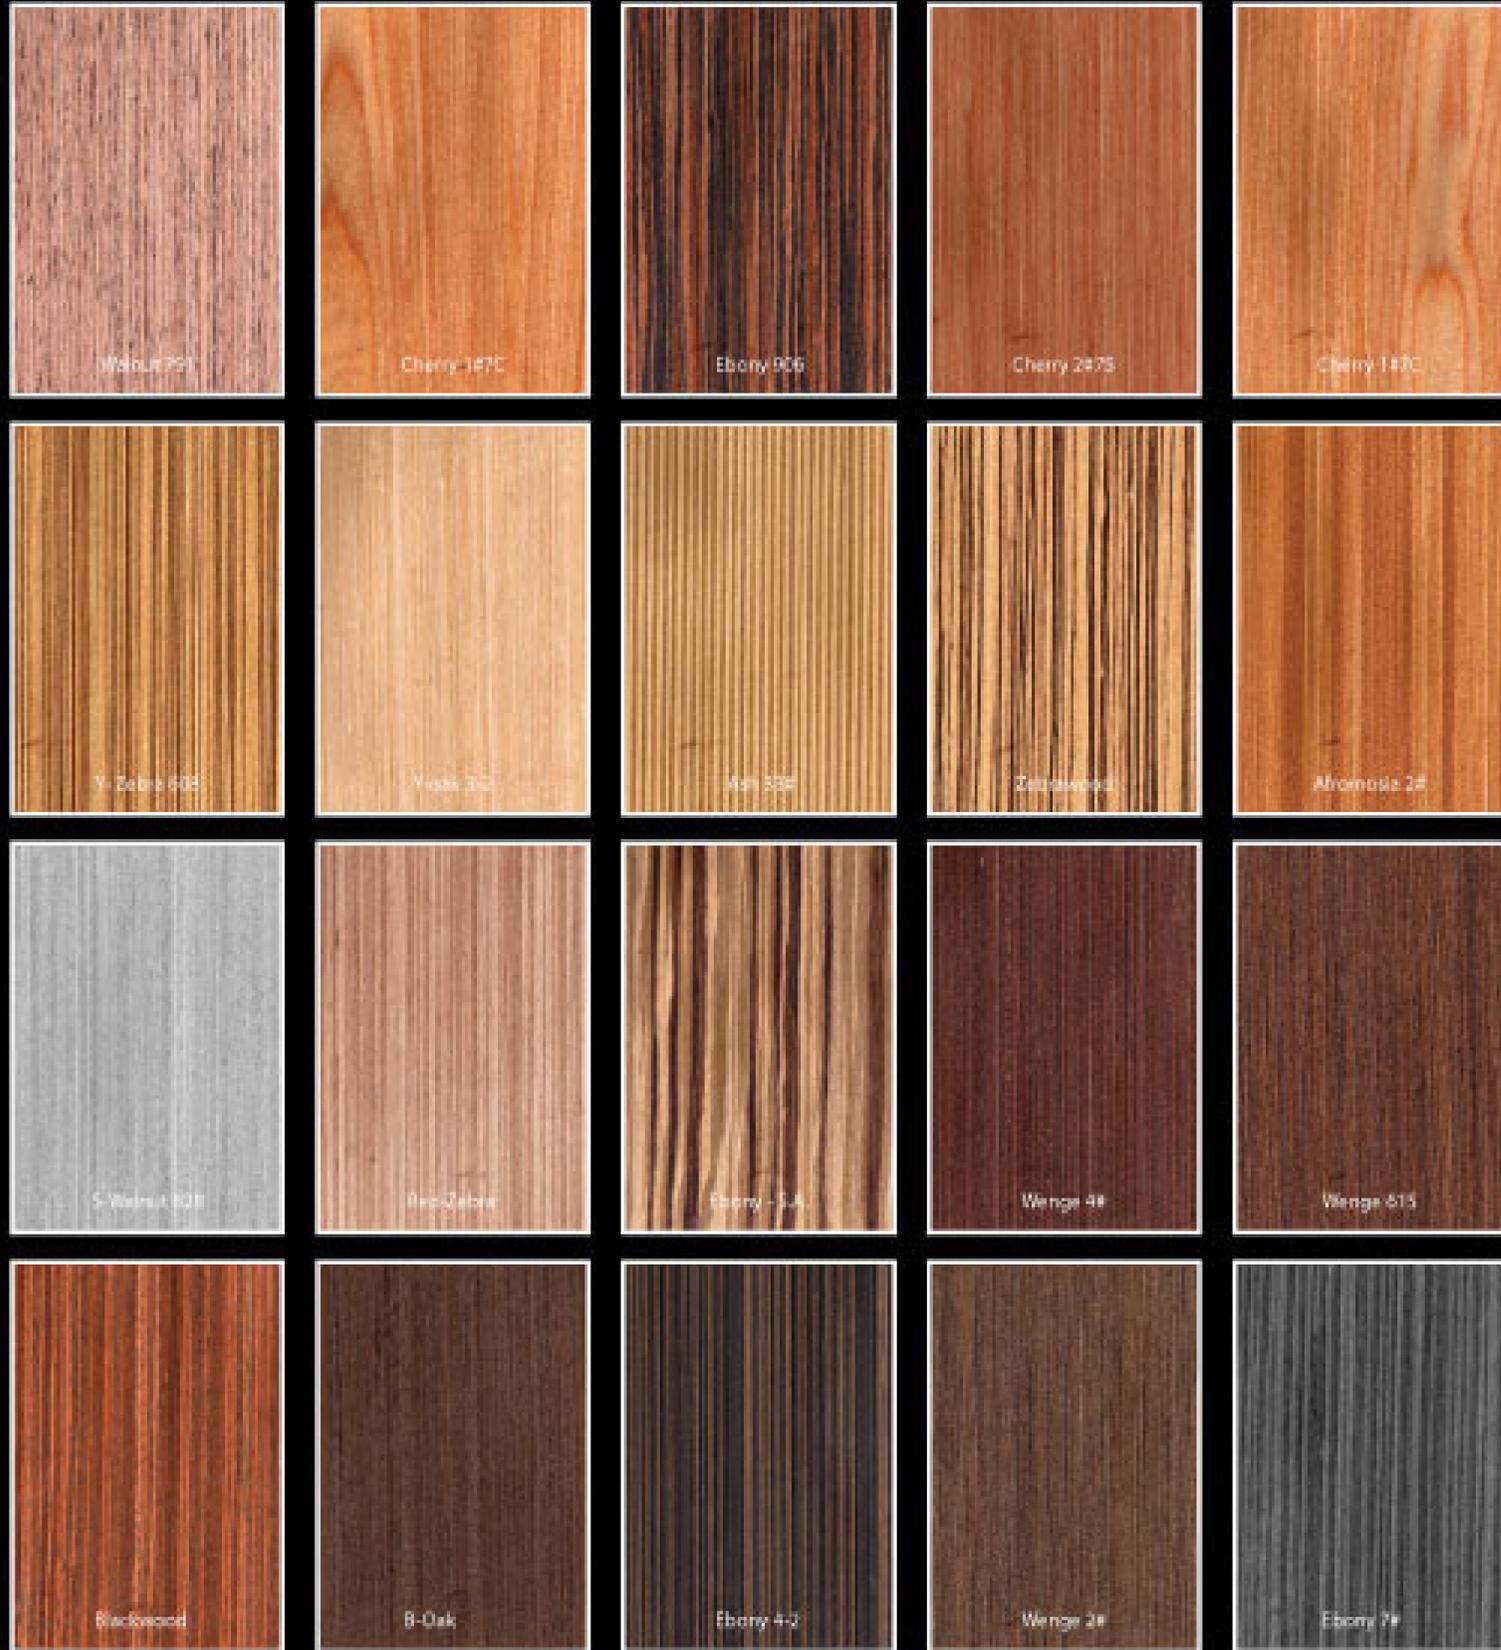

Wiseluck Door is an exclusive producer of all kinds of doors with a factory covers an area of 15,000Sqm. All of our doors styles are specifically designed by European designer to take full advantage natureal wood and unique characteristics of wood. Each piece is under the strict policy of quality control by our designer and engineer in order to meet the satisfaction of our buyers. All of our doors are made to order in your own choice of style, color, frame, size and finishing.

With the capacity of prducing 10,000 doors monthly, we can ensure our buyers not to worry about the delivery time. Meanwhile, we ensure that you only receive the top quality product expertly and endlessly comfortable.

Wiseluck holds a commitment to intergrity, honest, ethics and trust. We do care about your feedback of our products and we study everyone of it to make it better. Your support will be the stage for our growth and hope you will grow with us together towaords the new level.

Design here build there, your satisfaction is our highest compliment!, Come and make your right choice, Wiseluck

plain panels

Plain panels on MDF rolled and varnished, 6 mm thick.
These panels are available in nine different colours.

Tanganica chiaro - tanganyika natural painted;
tanganica scuro - tanganyika dark painted;
mogano - mahogany;
rovere - oak;
noce nazionale - Italian walnut;
ciliegio - cherry tree;
laccato bianco - lacquered panel (white);
rovere sbiancato - white oak;
wenge - wenge.

wood panels

Wood panels come in a wide range of first class materials; they are dried with a systematically controlled reduction of humidity.

The panels are varnished with products which permit the exposure to the air.

The buckle-plates are assembled in order to offer the best rain.

You can choose these wood types: douglas, chestnut, cherry, iroko, mahogany, walnut, canoe wood, pine, oak. Wood can be arrow, lightly stained and stained.
